| 2. Description of Project alignment with USF Mission and purpose of Project: |
| The project is a 110,000 GSF Multi-Story South Expansion (including additional radiation oncology space, Clinical/Pathology support space, 40 patient beds and 40,000 SF of office space) to the existing facility within the Moffitt lease line on a site south of the existing Moffitt Cancer Center patient tower and Northwest of the Hope Lodge. The project will also include a 1,000 car garage of approximately 346,000 gross square feet. The project is aligned with the University of South Florida mission in that it supports the future growth of the Moffitt Cancer Center. |
