Zoom Calls

On 5/11/2020, the University Police Department was advised of a disruption to a video teleconference (VTC) for prospective USF Students. During the teleconference, an unknown subject screen-shared disturbing pornographic images to participants. This incident appears consistent with reported VTC Hijacking cases nationwide and is under investigation.

As we continue to use video conferencing platforms to conduct regular business, VTC hijackers are emerging. The FBI has received multiple reports of "Zoom-bombing" where conferences are disrupted by pornographic and/or hate 1rpd4 fhly.9 tsm r nfnbi a2 (n(n)4 (bi)-2 (m))53mrsniFB
