Death Investigation

On February 16, 2024, at approximately 10:20 AM, the University of South Florida Police Department was notified of an unresponsive student in the “Endeavor” residence hall. Officers were immediately dispatched to the scene. Upon arrival, resuscitation efforts were administered without success and the person was determined to be deceased. Investigators are working to determine the circumstances surrounding this death. Based on the initial investigation, foul play is not suspected and there is not an active threat to the campus community.
