

¾ All travel must be pre-approved with an electronic travel request.

- o Travel requests should be submitted as soon as you know you are going, but no later than 14 days before the date of travel to allow for processing and approvals. You can submit travel requests through the College of Arts & Sciences Business Support Services (BSS) office. Your department may have additional steps that could be required before you submit a travel request to BSS. Please check with your department staff to see if any apply.

¾ BSS can assist with making and paying for travel arrangements.

¾ If you make your own arrangements, please make sure you comply with USF and the State of Florida rules and regulations. The University will not reimburse unallowable purchases. If you have questions regarding travel policy, please contact BSS for assistance or consult the University's travel manual and Florida Statute 12.061.
