# The Great Power Competition

## About this book

*Lessons Learned from Afghanistan: America's Longest War* examines the lessons of the war in "America's" longest war. It explores the challenges that the United States and the international community face in the war against terrorism and the human rights crisis in Afghanistan. It also examines the impact of the war on the United States and the world.

It also examines the impact of the war on the United States and the world.

*Lessons Learned from Afghanistan: America's Longest War* by  
past negotiations between the United States and Taliban
