- One USF Tenure Faculty, Fall 2022
- One USF Tenure -Track Faculty, Fall 2022
- One USF Non-Tenure Earning Faculty, Fall 2022
- One USF Administrators, Fall 2022

- Protected-Class Representation in the Tenure Process
- Looking Ahead

Trustee Seixas wanted to know the percentage of minority groups that are in the job market and have earned new Ph.D.'s.

The Provost commented that nationally, the pool for recruitment for diverse faculty is not as large as they would like for it to be.

Trustee Seixas questioned the average job postings (openings) that we've had in the past couple of years.

Provost Mahapatra commented that next year, One USF may recruit more than 100 faculty.

Trustee Seixas questioned the process for seeking diverse candidates and ensuring that there is a diverse recruiting and interviewing panel.

Director of Human Resources Angie Sklenka commented that the recruiting process at USF is focused on diverse recruiting and is also being refreshed.

There are digital strategies as well as human touch strategies. We must first find the clients, stay in constant contact by building a relationship before the postings go out.

Trustee Jasinski Schneider provided a brief insight on the recruiting process. Networking and portraying a certain image is very important. There is a combination of internal and external strategies. Posting in the Chronical for Higher Education as well as across other organizations when recruiting for an academic position.

Trustee Carrere questioned the impact of having a higher percentage of women than men enrolled at the university. Do we anticipate this changing or remaining the same?

Based on previous experience the Provost doesn't predict the percentage to increase but will eventually level off. This matter will be closely monitored.

The Provost also commented on recruiting more diverse faculty to USF. We shouldn't solely rely on advertisement but should play the cards that we are dealt by networking to attract talented faculty to our university. USF is an AAU institution located in an area where there is low cost of living.

Trustee Carrere's comments concerned a department which was implemented to attract the best and brightest students and faculty as well as creating opportunities through partnerships.

Chair Weatherford thanked the Provost for his presentation. The Chair's comments concerned our impressive recruitment strategies as well as the diversity of students at USF. Our commitment to the university continues as we make great strides.

The Chair requested a motion to approve FL 120, it was given by Trustee Piccolo, seconded by Trustee Griffin and approved.

### **FL 121 – BOG Statement of Free Expression**

Chair Weatherford provided an update on the BOG Statement of Free Expression

At the January 2022 Board of Governors meeting, the Board approved the Civil Discourse Final Report. To promote civil discourse in the State University System, the Board of Governors, the presidents of Florida's twelve public universities, adopted a "Statement of Free Expression" in 2019. The Board's Statement of Free Expression was endorsed by the twelve state Universities as a vehicle to establish, maintain, and support a full and open discourse and the robust exchange of ideas and perspectives on all university campuses.

Chair Weatherford commented that we are reviewing and endorsing the same statement from 2022. We are reinforcing our commitment to civil discourse and free expression. A copy of the statement was included in the Trustees materials.

Having no questions concerning the Statement of Free Expression, Chair Weatherford requested a motion to approve FL121. It was given by Trustee Griffin, seconded by Trustee Carrere and approved.

### **FL 122 – President's 2023 – 2024 Goals**

Chair Weatherford commented that as a Board, one of our critical responsibilities is to evaluate the performance of our University President. We have aligned the President's goals with the structured goals of the university.

The President's goals were previously presented to the Governance Committee as an informational item and included in their materials. The Present's 2023-2024 goals is presented today to the full Board for their approval.

Per the President's contract: On or before August 15th of each contract year, the President shall provide the Board Chair with a list of proposed goals and objectives. Once approved by the Board Chair the proposed list of goals and objectives shall be submitted by the President to the Governance Committee of the Board of Trustees for consideration. Following consideration by the Governance Committee, the proposed goals and objectives shall be presented for review and approval by the Board.

Chair Weatherford asked USF President Rhea Law to provide an update on the goals.

President Law provided a brief update on the 2023-2024 goals. She reported that they fall under the same 4 pillars of last year's goals, with more specific criteria. The President provided the following information as it relates to the goals.

-An overview of the general areas of focus

-The added flexibility to the goals – modifications can be made if needed

Chair Weatherford requested a motion to approve FL122-The President's 2023-2024 Goals. The motion was given by Trustee Seixas, seconded by Trustee Esmeraldi and approved.

Chair Weatherford acknowledged the detailed work done by both the Board of Trustees and the committees which they serve on. He then opened the floor for the BOT Roundtable Discussion.

### **BOT Roundtable Discussion**

Trustee Jasinski Schneider commented on behalf of the USF faculty. The faculty members are very excited about USF having AAU recognition.

Trustee Jasinski Schneider gave recognition to Provost Mohapatra for organizing a committee and putting a policy in place as it relates to the Post Tenure Reviews.

DEI is also a faculty concern as well as bills that were passed during the Legislative Session and how it affects our curriculum, teaching, recruiting and retention.

Vice Chair Griffin acknowledged the great men and women in law enforcement. He thanked them for their service and for keeping USF campuses safe.

Trustee Esmeraldi commented on behalf of the USF students. They were delighted to know that One USF as well as Mental Health were both reflected in the Goals.

Chair Weatherford commented on the challenges we face on our campuses and in the communities. We're all committed to USF and focused on what matters. Together we're stronger.

Trustee Carrere comments were on reoccurring funding from the State, USF having an increase in faculty members and attracting the best and brightest students. Trustee Carrere asked if we will request more funding in order to increase the ratio of our students and faculty.

Chair Weatherford thanked President Law, Mark Walsh and his team in Government Relations for their service to USF and the terrific work that they do in Tallahassee working with legislators and telling the USF story.

Chair Weatherford commented that we're able to show the investments that were made and the results in which they generated. The sessions in Tallahassee are about to begin; USF has the credibility and will continue to request more funding.

Trustee Carrere congratulated everyone instrumental in the success of securing reoccurring funds at USF.

Having no further business Chair Weatherford thanked everyone for participating and adjourned the Board of Trustees meeting.
