The University agrees to compensate the Subrecipient on a fixed price basis, as per Attachment 2, for an amount of . Reimbursement of travel expenses would be subject to F.S. 1004.22. However, this is a Fixed Price Subagreement and payment is based on performance and not reimbursement of cost. Payments will be made based on the schedule found in Attachment 2. It is further agreed that all invoices (Attachment 3) should reference the Subagreement Number; contain an original signature of an authorized official of the Subrecipient and should be sent to the University's Project Director for approval (see Article II for the address).

The University's performance and obligations are subject to the terms and conditions of the contract 3/4/2011

The relationship of the parties is that of mutually independent contractors. Each party and its offices, employees, agents, subcontractors, or other contractors shall not be deemed by virtue of this Agreement to be the offices, agents, or employees of the other party. Each party assumes the risk of all liability arising from its respective activities under this Agreement and from the acts or omissions of its respective offices, agents, and employees.

Subrecipient agrees to comply with the requirements of The Electronic Code of Federal Regulations, Title 2, Subtitle A, Chapter II, Part 200 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards) otherwise referred to as 2CFR§200. Subrecipient further agrees to provide University with copies of any of the independent audits.

_____ _____ _____

The parties have caused this Agreement, which includes Attachments 1, 2, and 3 to be executed by their undersigned authorized officials
