

Vickie A. Lynn, Ph.D., MSW, MPH

(813) 644-2464

vlynn@usf.edu

SUMMARY OF SKILLS

Teaching and Curriculum Development
Teaching with AI/Simulation
Interprofessional Education
Statistical Analysis and Research Methodology
Stigma Reduction Strategies
Public Health Advocacy
Collaboration with Diverse Communities
HIV Prevention, Care, and Treatment
Social Work Education

EDUCATION

Degrees

2019 Ph.D., Public Health, Behavioral Health, University of South Florida (USF), Tampa
2010 MPH, Public Health, Behavioral Health, USF
2005 MSW, Master of Social Work, USF
2003 BSW, Bachelor of Social Work, USF

Certificates

2023 Certificate Teaching with AI, Auburn University, Alabama, USA
2021 Diversity, Equity and Inclusion in the Workplace Certificate, USF
2015 Online Instructor Certification, USF
2022 College Teaching Certificate, USF
2013 Graduate Certificate, Translational Research in Adolescent Behavioral Health, USF

RESEARCH INTERESTS

Primary: Terminology (word choices), stigma, and HIV

Secondary: Implementation science; health systems; Integrated care (HIV, behavioral health and social services)

PROFESSIONAL EXPERIENCE

BSW Program Chair, School of Social Work, Community and Behavioral Science (CBCS), University of South Florida, Tampa, FL 2024-present

Overseeing and managing the BSW program, faculty, curriculum, policies, and accreditation
Teaching BSW and MSW courses and advising and mentoring social work students.
Leading recruitment and admissions efforts for the BSW programs (online and face-to-face program options)
Assessing student learning outcomes and program effectiveness
Managing the program budget and securing external funding
Representing the program on college/university committees
Building partnerships with community agencies for field placements
Staying current on trends and issues in social work education
Engaging in scholarship activities such as research and conference presentations

Assistant Professor of Instruction, School of Social Work, Community and Behavioral Science (CBCS), University of South Florida, Tampa, FL 2022-present

- Develop and instruct social work courses for undergraduate and graduate programs.
- Collaborate with curriculum committees to update and assess program offerings.
- Mentor and advise students from diverse backgrounds.
- Ensure adherence to accreditation requirements and department policies.
- Foster student growth and professional development.
- Contribute to the development of department and college mission and goals.
- Design educational materials and assessments.
- Stay current with social work research and practice trends.
- Provide data analysis and contribute to academic publications and presentations.
- Mentor and advisor for Concurrent MSW/MPH students

Visiting Instructor, School of Social Work, USF, CBCS, Tampa, FL - 2019-2022

- Developed, adapted, and instructed multiple social work courses across BSW and MSW programs.
- Collaborated with faculty on curriculum committee to develop, adapt, update, and assess department curriculum.
- Ensured adherence to department policies, Council of Social Work Education (CSWE) competencies, and accreditation requirements.
- Collaborated with department heads and committees to align with course, department, and college mission and goals.
- Mentored and advised students, supporting their academic and professional growth.
- Designed and developed the annual department newsletter (2019 & 2020).
- Provided data analysis, abstracts, and conference presentations based on dissertation data.

Adjunct Instructor, School of Social Work, USF, CBCS, Tampa, FL - 2015-2019

- Developed, adapted, and instructed multiple face-to-face and online social work courses.
- Collaborated with faculty to coordinate course delivery.

Adjunct Instructor, College of Public Health, USF Health, Tampa, FL - 2014-2017

- Developed, adapted, and instructed multiple face-to-face and online public health courses.
- Collaborated with faculty to coordinate course delivery.

Evaluator, TOPS Research Project, College of Public Health, USF Health, Tampa, FL - 2013-2014

- Coordinated and implemented data collection and research activities at high schools across Florida.
- Collaborated with key stakeholders and research staff to organize logistics for data collection.

Facilitator/Research Assistant, College of Nursing, USF Health, Tampa, FL - 2014

- Developed, implemented, and facilitated evidence-based behavioral health HIV prevention intervention for college students.
- Coordinated research activities with principal investigator and research staff.

Graduate/Research Associate, College of Public Health, USF Health, Tampa FL - 2013-2014

- Developed and implemented research protocols, IRB applications, participant recruitment, data analysis, grant writing, and manuscript preparation.
- Monitored and assisted with recruitment activities, data collection, management, and analysis.
- Assisted with abstract and manuscript writing, conference presentations, and poster activities.

Consultant/Writer/Speaker, The Well Project, Brooklyn, NY - 2012-2019
