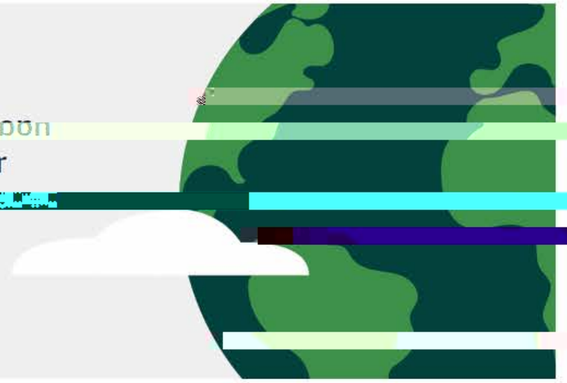
Our Environmental Commitments and Progress

Commitment

Reach net-zero carbon emissions across our operations by 2040

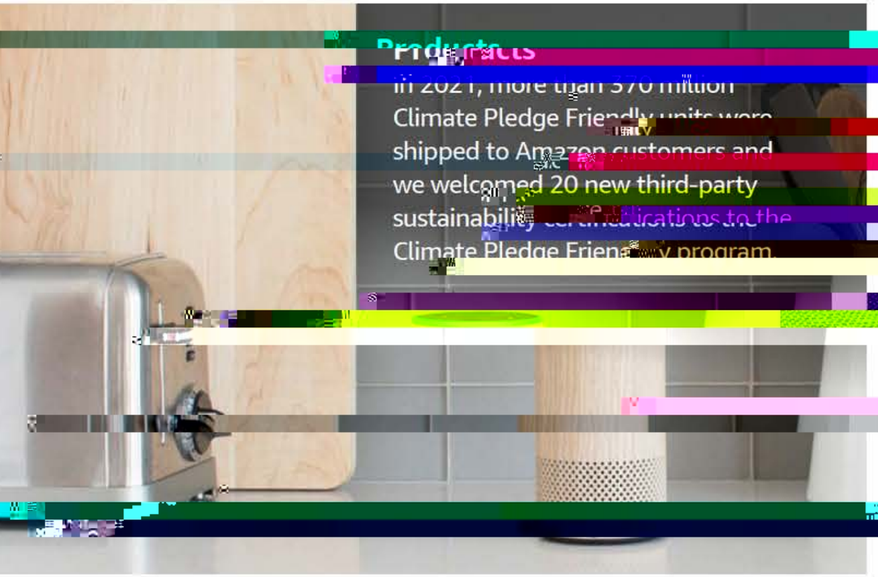


The Climate Pledge

Over 300 signatories have joined Amazon in signing The Climate Pledge.

Commitment

Make 50% of Amazon



Products

In 2021, more than 370 million Climate Pledge Friendly units were shipped to Amazon customers and we welcomed 20 new third-party sustainability certifications to the Climate Pledge Friendly program.

Shipment Zero

In 2021, more than 100 million

our customers' doorsteps

globally using zero-emission

vehicles. Since 2015, we

packaging weight by 3

eliminated over 1.5 million

tons of pack

Commitment

Reduce food waste by 50% across our U.S. and European operations by 2030

Renewable Energy

With 274 renewable projects announced

world's largest corporate purchaser of renewable energy.

five years ahead of our original target of 2030
