

Upper Division Student Advising Contacts for Permits

The College of Engineering [permit request form](#) is for assistance registering for general courses typically taken in the first two years of the program (those without locks on the flowchart). For help registering for upper division College of Engineering courses (those typically taken in the 3rd or 4th year and/or have locks on the flowchart), please visit your [College of Engineering department website](#) for additional information. View [flowcharts](#) for each major to understand which courses are in the first two years of the program.

General Engineering Classes: Student Services office should be able to assist with most permits/overrides including: "EGN" Courses EGN1113, 3311, 3331, 3331L, 3321, 3343, 3353, 3365, 3373, 3443, 3615 and 4450. (<https://www.usf.edu/engineering/student-services/academic-advising/forms.aspx>)
