Welcome to the IPEDS Outcome Measures (OM) survey component. The OM component collects award and enrollment data from degree-granting institutions on four undergraduate cohorts at two points in time: six-year and eight-year.

The four cohorts of degree/certificate-seeking undergraduates are:

- Full-time, first-time
- Part-time, first-time
- Full-time, non-first-time
- Part-time, non-first-time

For academic year reporters (standard academic terms - semesters, trimesters, quarters, or 4-1-4 plan), institutions will report using a fall cohort. Institutions may either use October 15, 2007 or the institution's official fall reporting date.

For program and hybrid reporters (not on standard academic terms), institutions will report using a full-year cohort. Institutions will report during the period between September 1, 2007 and August 31, 2008.

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website. The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website. College Navigator is updated approximately three months after the data collection period closes.

Please review your data for accuracy. If you have questions about the data displayed below
