1. Are all full-time, first-time degree/certificate-seeking students required to live on campus or in institutionally controlled housing?

If you answer **Yes** to this question, you will not be asked to report off-campus room and board in the price of attendance (D11).

This is only a screening question, and your response does not show up on College Navigator.

If you make any exceptions to this rule, and have even one full-time, first-time student living off-campus, please answer **No** so that this does not cause conflicts with the Student Financial Aid survey. Making changes to the SFA component is very difficult and may lead to inaccurate reporting for your institution.

2. Does your institution charge different tuition for in-district, in-state, or out-of-state students?

If you answer **Yes** to this question, you will be expected to report tuition amounts for in-district, in-state, and out-of-state students.

Please only select **Yes** if you really charge different tuition rates, or you will be reporting the same numbers 3 times.

3. Does your institution offer institutionally-controlled housing (either on or off campus)?

The image shows a large grid of colored cells, likely representing a data table or a visualization. The grid is composed of many small squares, each with a different color. The colors include light blue, grey, teal, yellow, magenta, and black. The grid is arranged in a roughly rectangular shape, with some cells missing or obscured by black bars. The colors are distributed in a somewhat regular pattern, with some rows and columns having a consistent color. The overall appearance is that of a complex data visualization or a large-scale grid of information.

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the Data Center and sent to your institution's CEO in November 2018.

Please review your data for accuracy. If
