Changes to This Year's IC Component:

- All of the Part B Admissions questions have been moved to the new Admissions (ADM) component. A screening question on IC-Header will determine if your institution is required to complete ADM in the Winter Collection.
- Estimated enrollment numbers were part of the admissions questions in IC, but was not moved to the new ADM component. Starting this year, IPEDS will no longer collect estimated enrollment numbers.
- A new question on the services and programs for military servicemembers and veterans has been added and placed in Part B of IC, which used to have the admissions questions.

Institutional Characteristics Component Summary
Academic Year Reporters

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the Data Center and sent to your institution's CEO in November 2015.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
