

How to Edit Your USHACUARC Researcher Profile

1. When you log into ARC, your Inbox page should open

1. The 'Inbox' tab displays the name of the applications in your inbox. Clicking the name will bring up that application's workspace.
3. 'Type' displays the type of application (study, modification, etc.).
4. 'Status' displays where the application is in the review process.

2. Click on the Profile Tab.
