

[Student Health & Wellness Center \(SHWC\) is closed whenever the University is closed.](#)

1. Who is eligible for the USF Sponsored Student Health Insurance Plan (SHIP) and how do I enroll?

- International students: Pay the premium directly through Student Self Service and the SHWC enrolls the student.
- GAs/TAs/RAs: Enrolls directly with Academic Health Plans (AHP). Click [here](#) for eligibility requirements and enrollment instructions.
- Students enrolled in the following programs enroll directly with AHP. Click [here](#) for enrollment instructions.
 - College of Marine Science
 - College of Medicine
 - College of Nursing
 - College of Pharmacy
- Intercollegiate Athletes: Click [here](#) for enrollment instructions.
- International Students on Optional Practical training or Curricular Practical training: Click [here](#) to view policy information and to enroll.

2. What benefits are available under USF Sponsored SHIP and how do I get my card?

Please visit usf.mycare26.com to view plan details for the USF Health Insurance policy. You can click on “Additional Resources” to access your card with Aetna.

3. I am an international student; how do I release the SI hold?

To release the SI hold complete the Insurance Agreement form available on our [webpage](#). The Insurance Agreement form will be processed within 24 business hours.

6. Why do I have the USF insurance premium on my account, when I have already enrolled in for the USF GA/RA/TA insurance subsidy?

The USF Insurance premium will remain on your student account until the SHWC office verifies your active enrollment in USF Sponsored SHIP.

For specific instructions on how to satisfy the Health Insurance Regulation and information on eligibility for the USF Health Insurance policy, please visit our [webpage](#).
