To optimize the Curriculog experience, it is best to use Firefox or Chrome as your browser. You can access the Curriculog system at <https://usf.curriculog.com/> and click the login button. USF has a single source login.

COURSE CHANGE PROPOSAL

At the top of the screen is a form with several fields. You must fill in all areas marked with an asterisk prior to submitting, or in Curriculog terms . Validate and Launch+ the Proposal. You can find the asterisk next to the header for the fields.

It will take a moment to pull @ & ~!•^ ð ð @ Q] [!cà[ç. U} & @ % [ãð * +} [ã^ ãð ð] ^æ•, scroll down to see the course displayed. Click the course to bring up a summary of the course information.

You will see that your course has been added to the Course Change Proposal form. You can scroll

The first section of the [Proposal](#) section, there are a number of areas to complete. Some of the areas are prepopulated from the course import we conducted, and other areas will require input. All areas with an asterisk require information, as the form will not submit without completion of these areas.

Use the dark blue toolbar or clicking the [float](#) icon to float the display so that you do not have to scroll to the top.

Provide your name, [Section](#) name,

information pre-populated when the course was imported into the form.

You will first need to select from the drop-down menu. Scroll through to

Scroll down to view more of the **General Catalog Information** section of the form.

Next are questions regarding the course title and credit hours. Please select the **Yes** or **No** to answer the question **Is the course title variable?**

Then identify whether the credit hours are variable. If **Yes** is selected, a range of credit hours needs to be placed in the **Credits** field. If you are not changing the existing credit hours, continue with the form. If you wish to change the credit hours, type the requested credit hours in this field.

The **CIP Code** is the next area. The drop down will display all the CIP codes used at USF. If you are not changing the CIP code, leave this area blank. If you are changing the CIP code, select the requested code from the drop-down options.

When you log back into Curriculog you will find the Proposal in the Proposal

INTELLECTUAL & PRACTICAL SKILLS: CREATIVE THINKING (TGEC)

The next section of the form is for the General Education TGEC attribute of **Creative Thinking**. This means you do NOT have to complete this information if you are not adding the TGEC attribute.

However, if you do want to add the TGEC attribute to your course, you would complete the information in this section. As a reminder, a course can only have one Gen Ed attribute, so you should only complete one of these areas.

INTELLECTUAL & PRACTICAL SKILLS: INFORMATION & DATA LITERACY (TGEI)

The next section is a dropdown menu. If there is not an initial question with an asterisk next to it. If the TEGI attribute is not something you want to add to the course, you would collapse this area by clicking the arrow.

You may need to provide supporting documents based on your selections in the form. Statements such as the one highlighted below will remind you to attach these documents at the bottom of the form, and you will acknowledge that you are adding the documents.

Then scroll to the top of the form and find the **Upload Files** button on the right side. Clicking this provides the screen to upload a file. You can browse your computer to find the files to upload to the Proposal. There is no limit to the number of files you can add to the Proposal. Word documents and .pdf files are the preferred formats.

Once the files are loaded, you will see the list of documents you have added.

Close this side of the screen out by clicking the **Close** button in the top right corner of the screen.

INTELLECTUAL & PRACTICAL SKILLS: HUMAN & CULTURAL DIVERSITY (TGED)

The next section is for the TGED attribute. If you are not adding this attribute to your existing course, look for an asterisk to indicate a required field under the section heading. Since there is no asterisk, we can collapse this section by clicking the arrow to the right of the heading. If you are adding the TGED attribute, complete this section, save changes, and then collapse the section.

Moving down to the bottom of the page, you will select the appropriate semester.

You will then select the appropriate semester. This section is critical since the Course Change Proposal is based on the information provided in this section of the form.

SYLLABUS AND ADDITIONAL SUPPORTING DOCUMENTS

The final section of the Course Change Proposal is the Syllabus and Additional Supporting Documents section. This section is where you provide the syllabus for the course you are proposing to add, as well as any other documents that support your proposal. You will need to upload these documents to the right side of your dashboard.

To add the required documents, go to the right side of your dashboard to find the Files and Paperclip icon.

You can also view the steps in the approval workflow process, by going to

VALIDATE AND LAUNCH

Once you have completed the form and saved all changes, the  the Proposal. This is the submission step. You will find this in the top dark blue toolbar with the .

The screen will change to gray and you will see the

once the Proposal is launched, it will start the approval workflow process. The Proposal will appear in the UGS-DO Curriculum system.

If you are ready to move on

ORIGINATOR APPROVAL

The final step is for you to approve the Course Change Proposal in the approval workflow process. Open the right side of your dashboard. You will see the Approval Steps. If you have not launched the Proposal, click on the "Launch" button. If the Proposal is launched, this button will be disabled.

When you click on the "Launch" button, the Proposal will be launched and you will see the Approval Steps. You will see the Approval Steps in the process for your Course Change Proposal.
